TEACHING SCHOOL BID

We have submitted a bid to become a National Teaching School and will find out the outcome by Easter. More information will follow if we are successful!

Teaching Schools are part of the Government's drive to give schools more freedom. Schools will work together within a teaching school alliance—a group of schools and other partners who are led by the leadership of the teaching school. The teaching school will identify and co-ordinate expertise from their alliance, and the best leaders and teachers will be used to deliver the 'BIG 6' (see below). Collaboration is at the heart of the teaching school model. It includes all the schools that benefit from the alliance by receiving support, as well as teaching schools and strategic partners that offer support. Strategic partners are schools, universities and other partners that deliver aspects of the alliance's activity.

The six areas are:

- Initial Teacher Training
- Continuing Professional Development
- Talent Management and Succession Planning
- School to School Support
- Specialist Leaders of Education
- Research and Development

STAFFING

We are currently supporting Guyhirn Church of England Primary School. Part of this involves Mrs. Barnard-Taylor spending the equivalent of three days per week at Guyhirn. Mrs. Bayes has been appointed Acting Deputy Headteacher at Lionel Walden to cover until Mrs. Barnard-Taylor returns full time in May, 2014

SICKNESS AND DIARRHOEA

Parents are reminded that children should be absent from school for **48 hours** following the last incident of illness.

P.E. LESSONS

Please could you ensure that your child has a separate pair of shoes in school for P.E. and games lessons and warm clothing for when the weather is colder. All items must be labelled clearly with your child's name.

No jewellery should be worn in school except for small stud earrings. These must be removed for PE and swimming.

Please ensure that the school office has up-to-date emergency contact telephone numbers (particularly mobile phone numbers and email addresses), plus any relevant medical information about your child.

Please also remember the arrangements in respect of administering medicines within school—a parental consent form must be completed.

PARKING OUTSIDE SCHOOL

Parents are reminded that they should not park their cars on the yellow zig zag lines outside school. This applies before and after school and when collecting children at other times.

In addition, please park with consideration for our neighbours.

Parents and children should enter the school premises through the pedestrian access (smaller gate) and not through the staff car park. Please do not approach the Lions' Den/annexe along the vehicular access route.
